

To ALL our overseas, military, and military contractors who are registered voters in Harrison County, “Thank You!” for your service!

You have the ability to email your FPCA to the following email: ballotbymail@co.harrison.tx.us

Also as a side note: If you are registered in the Houston area, you are probably in HARRIS county and not Harrison, (where the main election office is located in Marshall Texas.)

So please be sure to double check which county you are sending your application to. That will help avoid any delays.
