**FOUNDATIONS OF PROPOSED CONSTRUCTION** (check appropriate box):  Stilts/Columns/Piers  Fill Dirt  Slab

Briefly describe the development. If additional Space is needed, attach a form: \_\_\_\_\_

I hereby grant permission to access the development site for an initial and final inspection of the proposed construction listed on this permit. Initial: \_\_\_\_\_ Date: \_\_\_\_\_

Base Flood Elevation (BFE) at development site: \_\_\_\_\_ ft above MSL

Option for Non-Residential: elevation of flood proofing to proposed structure \_\_\_\_\_ ft above MSL

**WARNING: Please read & acknowledge:** The Flood Insurance Rate Maps (FIRM) and other flood data used by the Harrison County Floodplain Administrator in evaluating flood hazards to proposed developments are considered reasonable and accurate for regulatory purposes and are based on the best available scientific and engineering data. On rare occasions greater floods can and will occur and flood heights may be increased by man-made or natural causes. Issuance of a permit to develop in a flood hazard area does not imply that development outside the identified areas of special flood hazard will be free from flooding or flood damage. Issuance of this permit shall not create liability on the part of Harrison County, the county Floodplain Administrator, or any department, officer, or employee of Harrison County in the event flooding or flood damage does occur.
